POST COMMANDER'S MESSAGE

Comrades, Happy New Year!! Welcome to 2024! What a year 2023 was and I wish you and your families nothing but the best in the new year. There are a few dates in January to keep in mind. January 13 is the District meeting and January 20 is the C of A and Scholastic Banquet. Our next meeting in January 23.

I want to thank Senior Vice Commander James Cline for the information he provided at our last meeting regarding PTSD and for volunteering to be part of the Entertainment Committee along with Comrade Steve Ordway. I am looking forward to seeing what ideas we can come up with for entertainment.

Again, I want to wish you all a healthy and great new year!

Yours in comradeship,

State Commander's Message

Greeting & Salutations from Commander Denis Querrard **HAPPY NEW YEAR - 2024!**

I hope everyone enjoyed the holidays with family and friends and everyone got what they wanted from Santa Claus...

The start of a new year is here, I would like to again thank the New Hampshire VFW membership and its Auxiliary for all the hard work they put into our posts, community activities, and taking care of our Veterans. The weather has been warmer than expected and as we head into colder weather, hopefully everyone is ready to get back into the swing of things.

Please start planning for the third annual VFW Day of Service on May 4th 2024 as part of the VFW's #StillServing campaign; lets unite veterans across America showing the nation the impact veterans make in their communities! Sign up here - <https://todaysvfw.org/day-of-service/>

Congratulations to Lee Memorial Post 10676 for reaching 111.66%; Charlestown Memorial Post 8497 for reaching 103.03% and Brown Knight Memorial Post 8268, Bennington, on reaching 103.33%! They are in the running for All-American Posts! How close is your post to 102%?

Our post leadership needs to start going through their membership rosters; go through your list of expired members and reach out to them. This is a good time of year to do a buddy check and see how those expired members are doing and see if they need assistance. VFW membership goal of 102% is still on the forefront. We need new members to keep our posts alive in the state of New Hampshire; we need new members to give our organization credibility before our state legislation; and ultimately, we need members to add to our numbers as we go before Congress and the Senate and fight to keep our Veteran Benefits that we have all earned.

Recruit, Renew, and Retain!

Get your message out there and report what you do!!

STATE PRESIDENT'S MESSAGE

“Challenging the Needs of Our Veterans”

Happy New Year!! Hope everyone's holidays with family and friends was wonderful.

Last month I forgot to mention that I made a visit to Nashua in November, thank you again for adjusting your meeting time for that meeting so I could make the visit. December I made a visit to Pelham and Raymond. Great meetings and many items covered by all the auxiliaries.

Also, Bob and I got to visit the White River Junction VA, Manchester VA and Veterans Home in Tilton for all their Christmas celebrations. It is great to see the smiles on the veterans faces when you give them a small gift and/or cards and wish them a Merry Christmas and Happy New Year!!

I look forward to visiting some more auxiliaries in January as well. I will be in touch with the presidents of the Auxiliaries I would like to visit.

We are getting there with membership, hopefully all members not paid for 2024 will get their dues in ASAP. Trish thank you for all you are doing to get the membership to 100% plus. Also, thank you to all the auxiliaries for your efforts as well with the membership.

As we continue to work together, we will continue to help our veterans, sisters and brothers of this great organization.

**Thanks,
Kim Copson

JOKE OF THE MONTH

There was an elderly couple who in their old age noticed that they were getting a lot more forgetful, so they decided to go to the doctor. The doctor told them that they should start writing things down so they don't forget. They went home and the old lady told her husband to get her a bowl of ice cream. "You might want to write it down," she said. The husband said, "No, I can remember that you want a bowl of ice cream." She then told her husband she wanted a bowl of ice cream with whipped cream. "Write it down," she told him, and again he said, "No, no, I can remember: you want a bowl of ice cream with whipped cream." Then the old lady said she wants a bowl of ice cream with whipped cream and a cherry on top. "Write it down," she told her husband and again he said, "No, I got it. You want a bowl of ice cream with whipped cream and a cherry on top." So he goes to get the ice cream and spends an unusually long time in the kitchen, over 30 minutes. He comes out to his wife and hands her a plate of eggs and bacon. The old wife stares at the plate for a moment, then looks at her husband and asks, "Where's the toast?"

VFW Tells Subcommittee to Streamline Appeals Process: VFW National Veterans Service Director Michael Figlioli testified at a House Subcommittee on Disability Assistance and Memorial Affairs oversight hearing to examine the VA appeals process. Figlioli stated the VFW's views on how to improve decision-making processes at the VA Board of Veterans' Appeals (BVA) and the United States Court of Appeals for Veterans Claims. "It is the VFW's position that communication and coordination between the BVA, Veterans Benefits Administration (VBA), and accredited representatives are critical during the remand process," he said. "Clear and concise directives that the decision-maker must comply with from the BVA to the VBA help streamline the further development of cases." He continued, "Effective collaboration between these entities is essential to ensure that the remand process serves its in-

BATTLE OF THE MONTH

Battle of Khe Sanh

The **Battle of Khe Sanh** (21 January – 9 July 1968) was conducted in the [Khe Sanh](#) area of northwestern [Quảng Trị Province, Republic of Vietnam](#) (South Vietnam), during the [Vietnam War](#). The main US forces defending [Khe Sanh Combat Base](#) (KSCB) were two [regiments](#) of the [United States Marine Corps](#) supported by elements from the [United States Army](#) and the [United States Air Force](#) (USAF), as well as a small number of [Army of the Republic of Vietnam](#) (ARVN) troops. These were pitted against two to three [divisional-size](#) elements of the [North Vietnamese People's Army of Vietnam](#) (PAVN).

The US command in [Saigon](#) initially believed that combat operations around KSCB during 1967 were part of a series of minor PAVN offensives in the border regions. That appraisal was later altered when the PAVN was found to be moving major forces into the area. In response, US forces were built up before the PAVN isolated the Marine base. Once the base came under siege, a series of actions were fought over a period of five months. During this time, KSCB and the hilltop outposts around it were subjected to constant PAVN [artillery](#), mortar, and rocket attacks, and several infantry assaults. To support the Marine base, a massive aerial bombardment campaign ([Operation Niagara](#)) was launched by the USAF. In the first three months, over 114,810 tons of bombs were dropped by US aircraft and over 158,900 artillery rounds were fired in defense of the base; while U.S. forces lost 1 KC-130, 3 C-123, 35 helicopter destroyed; 23 aircraft and 123 helicopter damaged.^[22] Throughout the campaign, US forces used the latest technology to locate PAVN forces for targeting. Additionally, the logistical effort required to support the base once it was isolated demanded the implementation of other tactical innovations to keep the Marines supplied.

In March 1968, an overland relief expedition (Operation Pegasus) was launched by a combined Marine–Army/ARVN task force that eventually broke through to the Marines at Khe Sanh. American commanders considered the defense of Khe Sanh a success, but shortly after the siege was lifted, the decision was made to dismantle the base rather than risk similar battles in the future. On 19 June 1968, the evacuation and destruction of KSCB began. Amid heavy shelling, the Marines attempted to salvage what they could before destroying what remained as they were evacuated. Minor attacks continued before the base was officially closed on 5 July. Marines remained around Hill 689, though, and fighting in the vicinity continued until 11 July until they were finally withdrawn, bringing the battle to a close.

In the aftermath, the North Vietnamese proclaimed a victory at Khe Sanh, while US forces claimed that they had withdrawn, as the base was no longer required. Historians have observed that the Battle of Khe Sanh may have distracted American and South Vietnamese attention from the buildup of [Viet Cong](#) (VC) forces in the south before the early 1968 [Tet Offensive](#). Nevertheless, the US commander during the battle, General [William Westmoreland](#), maintained that the true intention of Tet was to distract forces from Khe Sanh.

VFW PLEDGE I do, of my own free will and accord, solemnly promise and declare that:

I will bear true allegiance -- to the Constitution of the United States of America -- and I will always be loyal thereto. I do further solemnly promise and declare -- that I will comply with the Congressional Charter -- By-Laws and Ritual of this order -- and I will always be loyal thereto -- that I will never wrong or defraud this organization -- nor a member thereof -- nor permit any wrong to be done to either -- if in my power to prevent it. I will never propose for membership -- any person not eligible -- nor one whom I know to be unworthy. I will never make known to anyone -- not authorized to receive it -- any of the work of this order. Should my affiliation -- with the Veterans of Foreign Wars of the United States -- cease in any way -- I will consider this pledge -- as binding outside of the order -- as though I had remained a member of same. All this I promise and pledge -- upon the honor of a true comrade -- and a citizen of our great republic.

I attest that I am a citizen of the United States, that my Campaign Service was honorable, that I have never subsequently been discharged from military service under dishonorable conditions. I also certify that (1) I am entitled to a campaign ribbon or medal authorized by the U.S. Government based on my overseas service or; (2) I have served overseas in Korea or; I have received Imminent Danger/Hostile Fire pay. I further give authority to the Veterans of Foreign Wars to verify honorable overseas service entitling me to membership.
