POST COMMANDER'S MESSAGE

Comrades,

Say hello to June. I want to start off by thanking those who took time out of the day to man a post for our Buddy Poppy Drive. I am pleased to say that we reached a new record for donations, over \$9000!! Thank you very much to those who volunteered. Also, Loyalty Day was a huge success and the turn out was amazing. Thank you to all who attended. Do not forget about the fishing trip on June 19. Sign up if you have not!

Our sponsored week at Gate City Casino is the week of June 10. We will be allowed to have a table set up with VFW information and some applications. We will also be hoping to have a few members stand by at the table to speak with patrons and answered questions. We might also get a few new members as well. More information on that to follow shortly. In my previous newsletter I mentioned post officer email addresses. They are up and running now and we are slowly rolling them out to be used. An email explaining it and telling you what they are will be sent out shortly. Any questions, please ask.

As always, if you have any ideas, comments or concerns please let me know.

Yours in comradeship,

Chris DiTullio

State Commander's Message

Greetings & Salutations from CDR Denis Querrard

THANK YOU!

As this will be my last entry in the District 6 Newsletter as your Department Commander, as well as this being the last District 6 Newsletter, I wish to thank Lew Chipola for his due diligence, patience, and devotion to putting the Newsletter together over the years and getting the message out there to the members and auxiliary of District 6.

I wish to Thank everyone for all the hard work that the VFW, Auxiliary, family, and friends have put into the VFW during my term. I saw numerous activities and I witnessed many helping hands doing what we do best, helping Veterans.

It will be bittersweet as I hand over the reins to your next Department Commander, if so elected, Andrew (AJ) Corrow, on 09 May 2024. There are many programs that I would have loved to see implemented, and I truly loved representing this organization throughout the state and nationally. I wish that I had been able to visit with every post and meet every member; you are the most important part of our organization and we would not be able to accomplish as much as we do without you. I hope to see many of you at our State Convention, 7-9 June, at the Town & Country

Thank you for all you do, the Veterans you help, the communities you serve!

We only have one month left to the finish line for membership...

The Department was at 95.19% in April and we have moved up to 96.78 in May;

how is your post doing in membership and when is your next membership drive? We are inching up in the numbers; please do not wait till the end of June!

How close is your post to 102%?

Congratulations to our 102% Posts: □ Derry Memorial Post 1617 (103.46%), Merrimack Post 8641 (104.06%), & John H Hargreaves Memorial Post 10722 [Pelham] (102.50%)

Congratulations to our 100% Posts; your work is not done, you need a few more to reach 102%:

□ Hudson Memorial Post 5791 (you need 4 more) & Hollis Memorial Post 11373 (you only need 1 more).

- **Hampstead Post 11254 needs 1 to make 100%; you only need a total of 2 to make 102%**

- **Salem Memorial Post 8546 & Nashua Post 483 you are both in the running; dig deep and make it across the finish line...**

Post leadership, please go through your membership rosters and work through your list of expired members and members who have fallen off the rosters; reach out to them. Use can use your relief accounts if a member is having difficulty with paying for their membership; if you purchase a membership for an expired member, reach out, send a note, invite them back to the post.

Recruit, Renew, and Retain!

Get your message out there and report what you do!!

DISTRICT COMMANDER'S MESSAGE

Comrades,

Elections for Post officers should now be complete and June 7-9, I look forward to joining you in Gorham for the Department convention. Those seeking Department offices should be listed in the June Go's. Some were already named in May and final round of nominations followed by elections will decide who leads us into 2025. I hope to see delegates from all posts in District 6. The District 6 meeting schedule should be available soon for 2024-2025. And finally, I thank those posts that have hit 100% of their goal and if you can do that, you certainly can aim for 102%. If you have not made your goal, you still have until June 30.

STATE LEGISLATIVE CHAIRMAN'S MESSAGE & CERTIFIED NATIONAL RECRUITER

2024-6 Dept. NH VFW National Legislative Committee Member, VAVS VAMC Manchester VFW Representative, Certified National Recruiter, Homeless Chair

Rev 5-22-24

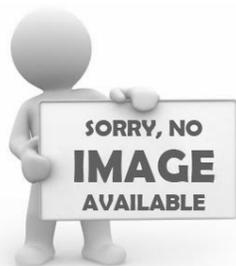

Our Legislative team in DC is in full gear fighting for the elimination of Claim Sharks, the unauthorized firms or individuals that will prey on our veterans when they offer to help with VA claims and end up charging the veterans high fees to pay for their services. Only VA Accredited Service Officers, firms and lawyers can legally put in claims for veterans in the VA system. They can charge modest and regulated fees and will have the proper legal documents to file on the veteran's behalf. Use the free services that the VFW Service Officers or other VSO Service Officers provide. No one has a faster track. The VA works at their own pace, no one gets to cut in line. Don't waste your hard-earned money.

I was advised to put a claim in in Dec, and I got a full 100% rating two months later. I thank our Dept. NH-VFW Service Officer John Barrett for doing that for me. I'd rather not have a reason for the claim, but since I contracted my condition thanks to Agent Orange exposure back in 1968 while serving in the Korean DMZ, I'll take the money and benefits while I can.

Unfortunately, I'm now being forced by my medical treatments to cut way back on my involvement with the VFW that has been my passion since 2010. I have been advised to focus on my own issues and exert my limited energy to take care of my own needs and wants. I will still be as active in the VFW as my health allows me to be, but I can't do the physical and mental work I used to do. I will be available to help as needed, I will continue to answer my phone and emails. It was a great honor to work with and to help my past VFW Commanders and officers at the State, District and Post level to achieve their goals and to perform their duties and obligations. I enjoyed trying to be the guy hiding behind the curtain, helping my VFW comrades to excel in their varied positions.

We are actively recruiting and grooming younger members into our Pelham VFW post, and I hope they will grab the reigns out of my hands and improve and continue to build on what we have at our Pelham VFW post and continue to be an active, productive member in our Dept NH-VFW. I wish them all success and will offer any support I can muster.

JOKE OF THE MONTH

Johnny was at school and the teacher said, "Someone use fascinate in a sentence." Sally answered, "The zoo was fascinating." The teacher said, "Sorry, Sally, I said to use fascinate in a sentence." Maria suggested, "I was fascinated at the zoo." Once again the teacher said, "No, Maria, I specifically said to use fascinate in a sentence." Johnny said, "My sister has ten buttons on her sweater." Again the teacher said, "Sorry, Johnny, I said use fascinate in a sentence." Johnny replied, "I know, but her boobs are so big she can only fasten eight."

QUOTE OF THE MONTH

The most difficult thing is the decision to act, the rest is merely tenacity. The fears are paper tigers. You can do anything you decide to do. You can act to change and control your life; and the procedure, the process is its own reward.

VFW Member Testifies on Anomalous Health Incidents: The House Homeland Security Subcommittee on Counterterrorism, Law Enforcement, and Intelligence held a hearing on Anomalous Health Incidents (AHI). Commonly known as “Havana Syndrome,” these inexplicable medical conditions first occurred in U.S. Embassy personnel in Havana, Cuba, in 2016. Symptoms may include headache, dizziness, cognitive impairment, nausea, insomnia, and hearing loss. VFW member Lieutenant Colonel Greg Edgreen, U.S. Army (Ret.), testified about his knowledge and experiences pertaining to AHI, and the importance of full implementation of Public Law 117-46, *Helping American Victims Afflicted by Neurological Attacks (HAVANA) Act of 2021*. This legislation was passed to ensure appropriate compensation payments for certain affected individuals. Edgreen also recommended the creation of a diagnostic code for VA disability benefits as AHI has been reported in and around other embassies throughout the world, and in the vicinity of Washington, D.C, affect-

VFW POST 483 Nashua

The post's sponsored Fishing Trip is 19 June. It costs you only \$40 to go deep sea fishing for the day. The post is paying the balance of the cost. If you want to go and haven't signed up yet, do it by 10 June.

We just completed our Loyalty Day Ceremony on 4 May. It was very successful. Pictures are in the flyer section pages 21-24, of this newsletter. It is disturbing that only a handful of members attended the ceremony. We need more support from you when we hold ceremonies such as this one.

This year will be the first year we will be doing a 4th of July Ceremony. It will be held on 4 July at 0900, in front of City Hall. Highlight of the ceremony will be the raising of a Betsy Ross, 13 Star Flag which will fly at City Hall for a week. Come out and support a patriotic event.

QUARTERMASTER'S CORNER

We are coming to the end of a Membership Year. We did not meet the goal this year. We missed All American because of membership. We must do better. It is the responsibility of all members to recruit for the post. It is not just the job of post officers. We have a good chance this coming year to make All American, with everyone's effort.

Fundraising is an important part of a post's survival. We have been lucky the past several years of getting large amount of funding from the Charitable Gaming. That has changes some. Now the State requires two non-profits share each time slot. That means the income received is half of what it was. We need to continue to fundraise over the course of each year. New ideas are needed. If you have any ideas bring them to a post meeting for discussion.

BATTLE OF THE MONTH

First Battle of Memphis

The First Battle of Memphis was a [naval battle](#) fought on the [Mississippi River](#) immediately north of the city of [Memphis, Tennessee](#) on June 6, 1862, during the [American Civil War](#). The engagement was witnessed by many of the citizens of Memphis. It resulted in a crushing defeat for the [Confederate forces](#), and marked the virtual eradication of a Confederate naval presence on the river. Despite the lopsided outcome, the [Union Army](#) failed to grasp its strategic significance. Its primary historical importance is that it was the last time civilians with no prior military experience were permitted to command ships in combat. As such, it is a milestone in the development of [professionalism](#) in the [United States Navy](#).^[1]

Background

The defending Confederates closely matched the advancing federal force in raw numbers, with eight rebel vessels opposing nine Union gunboats and rams, but the fighting qualities of the former were far inferior. Each was armed with only one or two guns, of a light caliber that would be ineffective against the armor of the gunboats. The primary weapon of each was its reinforced prow, which was intended to be used in ramming opponents.^[2]

The Confederate rams were distinguished by a unique feature of their defense against enemy shot. Their engines and other interior spaces were protected by a double bulkhead of heavy timbers, covered on the outer surface by a layer of railroad iron. The gap between the bulkheads, a space of 22 in (56 cm), was packed with cotton.^[3] Although the cotton was the least important part of the armor, it caught the public's attention, and the boats came to be called "[cottonclads](#)". Later in the war, ships' crews were often protected from small-arms fire by bales of cotton placed in exposed positions, and these vessels were also referred to as "cottonclads". They differed, however, from the originals of the category.^[2]

The federal force consisted of five [gunboats](#), four of which were known semi-officially as "[Eads gunboats](#)", after their builder, [James Buchanan Eads](#), but more commonly as "Pook turtles", after their designer, [Samuel M. Pook](#), and their strange appearance.^[4] The fifth gunboat, flagship [Benton](#), was also a product of the Eads shipyards, but was converted from a civilian craft. Each of these vessels carried from 13–16 guns. The other four vessels were naval rams from the [United States Ram Fleet](#). They had no armament whatever, aside from the small arms carried by the officers. All of the rams had been converted from civilian riverboats and had no common design.

GAO Highlights

Highlights of GAO-24-107463, a testimony before the Subcommittee on Readiness and Management Support, Committee on Armed Services, U.S. Senate

Why GAO Did This Study

DOD is continuing its work to maintain the U.S. military's advantage across all domains in a new security environment characterized by great-power competition. To meet that goal, DOD's focus is rebuilding and restoring readiness while also modernizing its forces. DOD's readiness rebuilding efforts are occurring in a challenging context that requires the department to make difficult decisions regarding how best to address continuing operational demands while preparing for future challenges.

This statement provides information on readiness challenges across the air, sea, ground, and space domains.

This statement is primarily based on published GAO reports since 2021 that have examined aspects of military readiness, operations, and sustainment in the air, sea, ground, and space domains. This statement also is based on a draft report on space readiness that was provided to DOD in February 2024 for review and comment. To perform all this work, GAO analyzed Army, Navy, Air Force, Marine Corps, and Space Force readiness, maintenance, personnel, and training data and interviewed cognizant officials.

What GAO Recommends

In the reports summarized in this statement, GAO has made over 100 recommendations to help improve readiness across and in each of the domains. Most of these recommendations have not yet been implemented, as discussed in the testimony.

MILITARY READINESS

Actions Needed for DOD to Address Challenges across the Air, Sea, Ground, and Space Domains

What GAO Found

The top priority of the 2022 National Defense Strategy is to defend the U.S. homeland by addressing the growing multi-domain threat posed by China. As the Department of Defense (DOD) addresses this priority, GAO's body of work has shown that U.S. military readiness has been degraded over the last 2 decades due to a variety of challenges, including high operational demands. Implementing GAO's open recommendations will help DOD address these challenges and enhance readiness. The figure below shows selected GAO recommendations that DOD has not yet implemented.

Commanders and Comrades,

A momentous occasion is quickly approaching ... on September 29, the VFW will celebrate its 125th anniversary!

This is cause for celebration and one we should all take great pride in as the VFW has remained at the forefront in the fight for veterans for 125 years - making certain those willing to sacrifice everything for our great nation are treated with the respect they have earned for ensuring our freedom.

I'm writing you today to make you are aware of several items related to the VFW 125th Anniversary as your involvement is what will truly make our celebration a success.

We've developed a host of resources for your use in helping us promote the campaign, maintain consistency across the organization and support those who support us. These resources include a *ceremonial logo and usage guide, various ads, a proclamation, certificate of appreciation, sample press release and more.

**Note: The ceremonial logo should be incorporated into your outreach materials as appropriate. It is not meant to replace the official VFW logo on all material. Please use sound judgement on application opportunities.*

Further, you will be the catalyst to get your community involved in commemorating the contributions of all veterans and their family members to our country during the VFW 125th Anniversary year, therefore we've also instituted a VFW 125th Anniversary Post Community Program open to ALL Posts.

Please access the resources and information I've referenced by logging into vfw.org and selecting the VFW 125th Anniversary link under Member/Post Resources from the My VFW page. You can also access these items in the Communications &

Public Affairs section of Training and Support of vfw.org.

Also coming soon is a new line of special edition anniversary items to the VFW Store. These items will debut onsite and online during the 125th National Convention in Louisville.

The VFW 125th Anniversary campaign will publicly commence on **June 5** with the launch of a website (vfw125.org) dedicated to the campaign and a national press release and will conclude at the close of our 126th national convention. **Please refrain from public display of any promotional assets until June 5.**

There will be more information to come over the next several months regarding special events and other ways we're working to honor this important event.

Thank you for your support in our endeavor to celebrate this important occasion in our organization's history! For questions, please email communications@vfw.org.
